

2017-18 School Closure Discharge Reporting

In June 2018, 10 New York City public schools closed. This report provides data regarding students enrolled in these schools during the 2017-18 school year, according to the guidelines set by Local Law 2011/043.¹ Counts of 0 to 9 were suppressed throughout the report. In some cases, higher counts were suppressed if that information would result in the ability to determine the values of suppressed counts through subtraction.

³ Per NY State Commissioner's Regulations, students who fail a course of study have the opportunity to make up credit by repeating the course or completing credit recovery.

⁴ Schools determine their grading policies in accordance with relevant NYSED and NYCDOE policies, including determining which courses to include in the calculation of GPA. Schools may weight certain courses (e.g. Honors, Advanced Placement) more heavily in the GPA calculation. Because New York City schools have various policies for calculating GPA, the data reported here is a weighted cumulative grade average that calculates the average grade across all of a student's courses. Middle school students in the secondary school and students that did not have full transcript data were excluded.
