

## How to Complete an Assessment

This guide provides step-by-step instructions on how to complete an Assessment in ATLAS. It explains how to navigate the dashboard, find the student, edit the assessment, upload the completed document, and submit it.

*Note*: Student data included in this reference guide is entirely fictional and has been created for training and support purposes only. Any resemblance to actual students is purely coincidental.

1. After you log into ATLAS, you will be directed to the **My Caseload** dashboard.

2. From your dashboard, search for the student for whom you wish to complete an Assessment. You can search utilizing the search bar as shown below or filter the dashboard by **Evaluations** or other relevant advanced filters. See "QRG 1.2 How to Navigate the Dashboard" for more information on how to use advanced filters.

3. Once you have found the student for whom you would like to complete an assessment, click on their row to expand it.

*Note:* If you click on the student's name in blue, it will take you to their student profile instead of expanding the row.

7. This will open the assessment page in edit mode. Complete all required fields within the Assessment Information section. Indicate the date of the assessment by using the date picker. After you select a date, you must click **Add** to add the date of the assessment. You will not be able to submit the assessment unless you have added a date of assessment.
