This report contains the findings and recommendations of the New York City Department of Education (NYC DOE) regarding the charter school's application for charter renewal. This report is based on a cumulative record of the school's progress, including but not limited to oversight visits, annual reports, and formal correspondence between the school and its authorizer, the NYC DOE Chancellor, all of which are conducted in order to evaluate and monitor the charter school's academic, fiscal, and operational performance. Additionally, the NYC DOE, on behalf of the Chancellor, incorporates into this report its findings from the renewal application process, which includes a written application, review of student achievement data, and a school visit by the Office of School Design and Charter Partnerships (OSDCP) and other staff from the NYC DOE. Upon review of all the relevant materials, a recommendation is made to the NYC DOE Chancellor. The Chancellor's determination, and the findings on which that decision is based, is then submitted to the New York State Board of Regents.

For more information on how OSDCP makes renewal recommendations to the Chancellor, please see the NYC DOE OSDCP Accountability Handbook available on the NYC DOE web site at https://infohub.nyced.org/docs/default-source/default-document-library/accountability-handbook 2018-19 final-docx.pdf.

Outcomes from the prior charter term may appear in this report for purely informational purposes and may be used in growth calculations.

RENEWAL RECOMMENDATION

Based on the evidence presented herein and detailed in this report, the NYC DOE recommends a full term renewal for Peninsula Preparatory Academy Charter School (PPA).

Recommendation		
Proposed New Charter Term	5 years	
Proposed Authorized Grade Span for New Charter Term	K-5	
Proposed Authorized Enrollment for New Charter Term	320	

PLANS FOR NEXT CHARTER TERM

As NYC DOE recommends a full-term renewal, the school's full application plan is included below.

In the event that the charter receives a subsequent full-term renewal in the 18-19 school year and does not submit an alternative plan in its application, the school will automatically be authorized to serve 320 students in grades K-5 in that future charter term, in alignment with the plan described below.

Grade	Current School Year (2018-19)	Year 1 (2019-20)	Year 2 (2020-21)	Year 3 (2021-22)	Year 4 (2022-23)	Year 5 (2023-24)

PPA will implement a preference for English Language Learners (ELLs) starting with the 2019-2020 lottery.

RENEWAL HISTORY AND CURRENT CONDITIONS AND NOTICES

PPA received a five-year full term renewal in the 2013-2014 academic year with no conditions. The school did not receive any notices during the current charter term.

CHARTER SCHOOL BACKGROUND

PPA is an elementary school located in the Rockaway neighborhood of Queens. The school has a universal pre-kindergarten program. The school is located in private space in Community School District 27. The school is not co-located with any other schools or programs.²

² According to NYC DOE Location Code Generation and Management System.

The school is in its fourth charter term.

SCHOOL HIGHLIGHTS³

According to the school's renewal application, "PPA engages students in the adventure of learning through engaging instructional techniques, including small-group work, project-based learning, and STEAM projects. This approach, paired with a rigorous, standards-aligned curriculum builds mastery and encourages students to have a lifelong love of learning."

PART 2: BACKGROUND ON THE CHARTER RENEWAL PROCESS

RENEWAL PROCESS

In the final year of its charter, a Chancellor-authorized charter school seeking renewal must demonstrate its success during its most recent charter term and establish goals and objectives for its next charter term. The renewal process offers an opportunity for the school to reflect on its experiences during its current term; to make a compelling, evidence-based case that it deserves an additional charter term; and, if renewed, to build an ambitious plan that will positively impact future students. Schools up for renewal must submit a complete renewal application no later than October 1, 2018.

The NYC DOE Chancellor-Authorized Charter School Accountability Framework (framework), developed by the Office of School Design and Charter Partnerships (OSDCP), is aligned with the New York State Charter Schools Act [Ed.L. §§2851(4)] and is used to evaluate a charter school's renewal application. A school must be able to demonstrate, supported by the school's renewal application and other data, that it can satisfy the three essential questions of the framework:

- 1. Is the school an academic success?
- 2. Is the school effective and well run?
- 3. Is the school financially viable?

Schools are asked to present a compelling, evidence-based case that they have, over the course of their charter term, been academically successful, effective and well run, and financially viable. Schools are also asked to detail their plans for the proposed charter term, including ambitious and measurable objectives as well as any requested revisions to the school's original charter application, and responses to any conditions set for the school previously.

The renewal application consists of the following parts: Executive Summary; Application Narrative; Required Attachments; Supporting Documents and Evidence; Revised Charter and Summary of Revisions; Required Exhibits for Revised Charter.

The OSDCP Charter Authorizing and Accountability Team will review and may respond to a submitted renewal application with clarifying questions and requests for additional information. Each school's Charter Authorizing and Accountability Team point of contact will work with the school to establish an appropriate timeframe for complying with these requests. If the school's application is incomplete, it will be returned to the school with feedback from the team. In addition to the school's renewal application, the Charter Authorizing and Accountability Team will conduct a renewal visit at the school. Based on the school's application, the renewal site visit, review of documentation submitted to the NYC DOE and the New York State Education Department (NYSED) during the school's charter term, and previous oversight reports, the Charter Authorizing and Accountability Team will prepare a draft of its findings to share with the school for factual corrections, and will ultimately submit a renewal recommendation to the Chancellor and the Board of Regents.

Schools are advised to carefully review the instructions and guidelines provided in the NYC DOE OSDCP Accountability Handbook, as well as the amended New York State Charter Schools Act, to prepare a renewal application for submission to Charter Authorizing and Accountability Team.

STATUTORY BASIS FOR RENEWAL

The determination of whether to approve a renewal application rests in the sole discretion of a charter school's authorizer. The Act states the following regarding the renewal of a school's charter:

§ 2851(4): Charters may be renewed, upon application, for a term of up to five years in accordance with the provisions of this article for the issuance of such charters pursuant to section twenty-eight hundred fifty two of this article; provided, however, that a renewal application shall include:

- (a) A report of the progress of the charter school in achieving the educational objectives set forth in the charter.
- (b) A detailed financial statement that discloses the cost of administration, instruction and other spending categories for the charter school that will allow a comparison of such costs to other schools, both public and private. Such statement shall be in a form prescribed by the board of regents.
- (c) Copies of each of the annual reports of the charter school required by subdivision two of section twenty-eight hundred fifty-seven of this article, including the charter school report cards and the certified financial statements.
- (d) Indications of parent and student satisfaction.
- (e) The means by which the charter school will meet or exceed enrollment and retention targets as prescribed by the board of regents or the board of trustees of the state university of New York, as applicable, of students with disabilities, English language learners, and students who are eligible applicants for the free and reduced price lunch program which shall be considered by the charter entity prior to approving such charter school's application for renewal. When developing such targets, the board of regents and the board of trustees of the state university of New York shall ensure (1) that such enrollment targets are comparable to the enrollment figures of such categories of students attending the public schools within the school district, or in a city school district in a city having a population of one million or more inhabitants, the community school district, in which the charter school is located; and (2) that such retention targets are comparable to the rate of retention of such categories of students attending the public schools within the school district, or in a city school district in a city having a population of one million or more inhabitants, the community school district, in which the proposed charter school would be located.

Such renewal application shall be submitted to the charter entity no later than six months prior to the expiration of the charter; provided, however, that the charter entity may waive such deadline for good cause shown.

RENEWAL OUTCOMES

After the NYC DOE's review of the school's renewal application, and completion of the renewal site visit, the Charter Authorizing and Accountability Team will release a draft report of their findings. The report will align to the framework and may include assessment results, evidence from classroom observations, leadership interviews, NYC DOE School Survey results, public hearings and other community feedback, as well as a variety of other data. Schools will be given the opportunity to correct factual errors in the report. If the Charter Authorizing and Accountability Team approves the renewal application and the Chancellor

recommends renewal for the school, prior to the school's charter expiration date, the Charter Authorizing and Accountability Team will send the renewal report and recommendation along with the school's renewal application and other supporting evidence to the Board of Regents for its approval. If the Charter Authorizing and Accountability Team determines that renewal is not warranted, the school will be informed in writing of the reasons for the non-renewal.

The Charter Authorizing and Accountability Team may recommend three potential outcomes for charter schools applying for renewal: full-term renewal (with or without conditions), short-term renewal (with or without conditions), or non-renewal. More information on each type of renewal is below.

FULL-TERM RENEWAL

In cases where a school has clearly and consistently demonstrated high academic performance, a compliant environment that supports the health, safety, and well-being of all students, operational stability, and financial viability, a five-year renewal may be recommended (with or without conditions).

SHORT TERM RENEWAL

In cases where a school has demonstrated mixed academic results or uncertain organizational or financial viability, a short-term renewal may be recommended (with or without conditions).

NON-RENEWAL

Renewal is not automatic. In cases where a school has failed to demonstrate significant progress, has low levels of student achievement, is in severe financial distress, or is in violation of its charter, non-renewal may result.

Charter schools that receive non-renewal decisions are provided with due process, including an opportunity to submit a written response and an opportunity to make an oral presentation, whereby these schools may challenge the non-renewal decision.

PART 3: FINDINGS

ESSENTIAL QUESTION 1: IS THE SCHOOL AN ACADEMIC SUCCESS?

At the time of this school's renewal, PPA has partially demonstrated academic success.

For additional academic data, including grade-level proficiency on NYS assessments, please see Appendix C. For detailed information on the school's progress in meeting the academic goals outlined in its charter agreement, please see Appendix F. These goals relate to academic performance, academic growth, college and career readiness, and closing the achievement gap.

Detail on OSDCP's findings for Essential Question 1 is below.

ESSENTIAL QUESTION 2: IS THE SCHOOL EFFECTIVE AND WELL RUN?

At the time of this school's renewal, PPA has partially demonstrated its effectiveness, including a supportive environment, operational stability, and compliance with applicable laws and regulations.

For detailed information on the school's progress in meeting the operational goals outlined in its charter agreement, please see Appendix F. These goals relate to school environment, leadership, governance, and compliance. For detailed information on the efforts the school is taking to enroll and retain students with disabilities, English Language Learners, and students who are eligible for FRPL, as per the NYS Charter Schools Act, please see Appendix G.

Detail on OSDCP's findings for Essential Question 2 is below. Additional notes on the school visit can be found in Appendix B.

PPA provides rigorous, scientifically proven, standards-based educational programs with an emphasis on core skills in literacy (ELA), math, science, and social studies.

ENGAGING INSTRUCTIONAL TECHNIQUES

Teachers will use a variety of instructional approaches, such as project-based learning and STEAM projects to engage students in the adventure of learning.

¹⁴ Board of Trustees as of October 1, 2018.

A RANGE OF ASSESSMENTS

PPA uses a range of assessments to measure on-going student progress in skills and content learning.

ROBUST PROFESSIONAL DEVELOPMENT

PPA equips instructional staff members with ongoing professional development in the pedagogy of these standard aligned programs.

EXTENDED DAY

PPA offers an extended school day (8 a.m. to 4 p.m.).

STAFFING, GOVERNANCE, AND THE PUBLIC HEARING

The Board met quorum at all of the meetings that took place in 2014-15.

In 2015-16, the Board had 8 members; this was within the minimum to maximum range of 5 to 11 members stated in the bylaws. The board met 10 times, but this did not meet the requirement of the Charter Schools Act to meet monthly. The Board posted board meeting agendas and minutes on their website. The Board met quorum 9 times out of the 10 meetings that took place in 2015-16.

In 2016-17, the Board had 8 members; this was within the minimum to maximum range of 5 to 11 members stated in the bylaws. The board met 10 times, but this did not meet the requirement of the Charter Schools Act to meet monthly. The Board posted board meeting agendas and minutes on their website. The Board met quorum 8 times out of the 10 meetings that took place in 2016-17.

In 2017-18, the Board had 8 members; this was within the minimum to maximum range of 5 to 11 members stated in the bylaws. The board met 10 times, but this did not meet the requirement of the Charter Schools Act to meet monthly. The Board posted board meeting agendas and minutes on their website. The Board met quorum 8 times out of the 10 meetings that took place in 2017-18.

PUBLIC HEARING

As required by the Charter School Act, the NYC DOE held a public hearing about the proposed renewal on December 4, 2018. Two hundred eighty-one individuals attended the hearing. Thirty-one comments were made in support and none were made in opposition to the proposed charter renewal. Comments in support focused on the quality of education PPA provides and PPA's ability to successfully prepare young people for rigorous high school opportunities.

ATTENDANCE, ENROLLMENT19 AND RETENTIONVII

¹⁹ A student is counted towards ELL or SWD enrollment and retention figures if they were identified as a member of either of those populations in ATS at the conclusion of the given school year or at the conclusion of either of the two preceding years. For instance, a student who was identified as an ELL in ATS in 2014 would count toward a school's ELL enrollment and retention figures for both 2015 and 2016, even if that student is no longer classified as an ELL during those school years.

ESSENTIAL QUESTION 3: IS THE SCHOOL FINANCIALLY VIABLE?

At the time of this school's renewal, PPA has demonstrated financial viability.

For detailed information on the school's progress in meeting the financial goals outlined in its charter agreement, please see Appendix F. These goals relate to budget, the school audit, and enrollment.

Detail on OSDCP's findings for Essential Question 3 is below.

SCHOOL FINANCES

An independent audit performed for fiscal year 2015 (FY15) showed no material findings.

An independent audit performed for fiscal year 2016 (FY16) showed no material findings.

An independent audit performed for fiscal year 2017 (FY17) showed no material findings.

An independent audit performed for fiscal year 2018 (FY18) showed no material findings.

The school has \$75,445 in escrow, meeting the \$70,000 requirement.

APPENDIX B: SCHOOL VISIT

Members of the Charter Authorizing and Accountability Team (CAAT) visited PPA on December 4, 2018 and December 5, 2018. The school leadership team identified what CAAT members would see in classrooms based on the school's key design elements and unique school culture. The CAAT team provided feedback to the school leadership team regarding whether they saw evidence of each item. An evaluation of "not observed" means that CAAT did not have the opportunity to observe that item during the visit.

- Evidence of student engagement; CAAT saw evidence of this.
- Evidence of small-group instruction; CAAT saw evidence of this.
- Evidence of STEAM Activities in grades K-2; CAAT did not observe this.
- Evidence of Project-Based Learning in grades 3-5; CAAT did not observe this.

APPENDIX F: CHARTER SCHOOL GOALS

The school submitted the following to NYSED as part of their 2017-18 Annual Report. The information presented here has not been reviewed for completeness or accuracy. NYCDOE continues to discuss goal performance directly with each charter school as part of a holistic evaluation of the school.

To see the school's full 2017-18 and prior year Annual Reports, please visit the NYSED Charter School Office website at http://www.p12.nysed.gov/psc/csdirectory/CSLaunchPage.html.

Goal Type	Goal	Measure Used to Evaluate Progress Toward Attainment of Goal	2017-2018 Goal Met or Not Met	If Not Met, Describe Efforts School Will Take
Academic Goal 1	Each year, the school will show progress towards achieving 75% proficiency in ELA, in third through fifth grade. Students who have been enrolled at the school on BEDS day for at least two consecutive years should be performing at or above Level 3 on the NYS ELA Exam at the end of the 2015 2016.	NYS ELA Exam Students in at least their second year at PPA demonstrated increased proficiency in all grades: 2017 to 2018 Gr.3) 57% to 70% Gr.4) 42% to 67% Gr.5) 20% to 37% Overall) 40% to 56%	Met	
Academic Goal 2	Each year, the school will show progress towards achieving 75% proficiency in Mathematics, in third through fifth grade. Students who have been enrolled at the school on BEDS day for at least two consecutive years should be performing at or above Level 3 on the NYS Math Exam at the end of 2015 2016.	NYS Math Exam Students in at least their second year at PPA demonstrated increased proficiency in all grades: 2017 to 2018 Gr.3) 47% to 70% Gr.4) 40% to 56% Gr.5) 14% to 30% Overall) 34% to 52%	Met	

Academic Goal 3	Each year, the school will show progress towards achieving 75% proficiency in Science, in Fourth grade. Students who have been enrolled at the school on BEDS day for at least two consecutive years should be performing at or above Level 3 on the NYS Science Exam at the end of the 2015 2016.	NYS Science 4 Exam 100% of students in at least their second year at PPA achieved proficiency on the exam for the second straight year.	Met	
Academic Goal 4	Each year, grade level cohorts of the same students (i.e. students who are in the school for two years in a row) will reduce by a quarter the gap between the percent at or above Level 3 on the previous year's NYS ELA Exam (baseline) and 75% at or above Level 3 on the current year's NYS ELA Exam. If the percentage of students scoring at or above proficient in a grade level cohort exceeded 75% on the previous year's NYS ELA Exam, the school is expected to demonstrate some growth (above 75%) in the current year.	NYS ELA Exam in 2017 and 2018 Proficiency of students who took the exam both years: Grade 3:4 54%:66% Grade 4:5 45%:37.5%	Not Met	As the growth on the 2018 state exams indicate, PPA's core programs are working. Therefore, the focus going forward will be on sustaining and increasing academic proficiency. One key strategy for 2018 19 will be an increased use of small group instruction. Students will work in groups of 4 5, which will be supported by the ELA and math intervention teams. PPA's consistent growth in academic proficiency, as described in the previous section, is the result of an academic program that includes a variety of methods for maintaining high expectations for all students and continuously increasing rigor. These include an extended school day, an emphasis on differentiated instruction, and a focus on keeping students engaged and invested in their own progress.

Academic Goal 5	Each year, grade level cohorts of the same students (i.e. students who are in the school for two years in a row) will reduce by a quarter the gap between the percent at or above Level 3 on the previous year's NYS Math Exam (baseline) and 75% at or above Level 3 on the current year's NYS Math Exam. If the percentage of students scoring at or above proficient in a grade level cohort exceeded 75% on the previous year's NYS Math Exam, the school is expected to demonstrate some growth (above 75%) in the current year.	NYS Math Exam in 2017 and 2018 Proficiency of students who took the exam both years: Grade 3:4 44%: 56% Grade 4:5 44%: 30%	Not Met	In math, PPA will increase small group use of manipulatives and collaboration to enhance understanding. Each member of the Intervention Team will focus on a specific skill set in stations: • Station 2 allows for the student to practice the 1 skill; • Station 1 will focus on introducing a specific skill; • Station 3 uses another teacher to review the skill from the day before.
