GENERAL INSTRUCTIONS

Applicants are required to provide medical documentation to determine fitness prior to employment with the Department of Education. You are not required to submit this form until after you have been offered a position. However, you may want to have this form completed by your physician in advance. The applicant must fill out Section I, Parts A and B, and your personal physician must fill out Section II. All physical examinations must have been performed **WITHIN 6 MONTHS** of the offer of employment. We recommend that you review your form prior to submission to ensure that it is completed by both you and your physician. Please make sure that you have signed your medical form. **YOUR COMPLETED FORM MUST BE SUBMITTED TO THE OPERATIONS CENTER FOR YOUR REGION/DISTRICT**.

Keep a copy for your files. Be advised that your responsibility center may ask the Medical Bureau to review your form. This may necessitate your being called in for an examination or the submission of additional medical documentation in order to determine your fitness for duty.
