

# Creating Suicide Safety in Schools

## Prevention and Intervention for NYC Schools

CSSS is a **6-hour** workshop offered through collaboration between the Suicide Prevention Center of New York State and the NYC Office of School Health. The workshop aims to help educators:

- Develop comprehensive suicide prevention and response plan
- Learn about resources to enhance safety and health of school environments
- Review existing suicide prevention and intervention readiness
- Receive evidence-based and best practice guidance

### **The Workshop**

Covers **4** basic categories of suicide preparedness:

- 1) Staff preparedness
- 2) Resilient students
- 3) Plan for assisting a student at risk
- 4) Planned response following a suicide of a school community member

And **2** foundational supports:

- 1) Policies, protocols and procedures
- 2) Community/parent engagement and support

### **Who Should Attend**

Administrators, social workers, school counselors, psychologists, teachers, school-based mental health providers, and those engaged in prevention planning in the school.

**An implementation team of 4 to 5 staff per school is ideal.**
