

## Encounter Attendance Guidance for SETSS Providers and Paraprofessionals During Blended and Remote Learning (For DOE Providers)

### Introduction

The chart below explains the *Service Location* options available for **SETSS providers** and **Paraprofessionals** during blended and remote learning as a result of the COVID-19 response.

**Note:** This guide does NOT apply to any other programs or services; see separate guidance regarding entry of other mandated services.

### Newly Added Service Location Options

The following options are available within the *Service Location* dropdown menu on the Encounter Attendance service record:

The screenshot shows a form with the following fields: End Time: Office; Service Type: \* Day Care; Language of Service: Phone only service; Session Type: Phone only consultation; Duration: ; Grouping: Remote Learning Platform; Service Location: (Select). A dropdown menu is open for the Service Location field, showing three options: Phone only service, Phone only consultation, and Remote Learning Platform. A red box highlights these three options, and a blue arrow points to the Service Location field.

Location	Applicable Service Types	Description
<b>Phone only service</b>	Special Education Teacher Support Services (SETSS) Paraprofessional	Provision of special education instruction and/or paraprofessional consultation with the <u>student</u> .
<b>Phone only consultation</b>	Special Education Teacher Support Services (SETSS) Paraprofessional	Provision of special education instruction and/or paraprofessional consultation with the <u>family</u> .
<b>Remote Learning Platform</b>	Special Education Teacher Support Services (SETSS) Paraprofessional	Provision of special education instruction and/or paraprofessional supports via remote learning platform to the student.
