Background

Chapter 3 to Title 21-A of the Administrative Code of the City of New York (Int. No. 403-A) enacted in 2014 as Local Law 56 requires annual reporting on guidance counselors no later than the fifteenth of February.

Int. No 403-A specifies that the report shall include:

- ii. The guidance counselor and social worker to student ratio in each school.

Guidance Counselor Ratio

A low guidance counselor and social worker to student ratio doesn't mean a school is not providing counseling or postsecondary planning services. Middle and high schools often engage teachers and other school staff to support the counseling program.
