How to Access Early Childhood Google Classroom Content

District school and Pre-K Center Teaching Teams
1. Log into the Teach Hub portal located at idpcloud.nycenet.edu
2. Launch the app with the Google Drive icon
3. Log in with your @schools.nyc.gov credentials
4. You will see the Early Childhood folder, which holds all the curriculum content for 3-K and Pre-K.

Once you have accessed the Google Drive app via idpcloud.nycenet.edu one time, you will always see the Early Childhood folder in your Google Drive on the left side of your screen, under Shared Drives.
