HOW TO APPLY FOR NYSED - SCHOOL SOCIAL WORKER CERTIFICATION
if you are a Licensed Social Worker or Social Worker Certified Outside NYS

LICENSED SOCIAL WORKERS
If you are a NYS Licensed Social Worker (LCSW, LMSW) and interested in a position as a School Social Worker with the New York City Public Schools (NYCPS), you must first obtain the NYS School Social Worker certification. This document will guide you through that process.

CERTIFICATION:
The following are the requirements to become a NYS certified School Social Worker:

- Education – Bachelor’s Degree
- Graduate Coursework - Social Work - 30 Semester Hours
- College Supervised Internship
- Workshop - Child Abuse Identification
- Workshop - School Violence Intervention and Prevention
- Workshop – Dignity for All Students Act
- Fingerprint Clearance

You must meet all the requirements before certification is issued by the New York State Education Department (NYSED). Your submission of a transcript may fulfill all or most of the education, coursework, and internship requirements for the certificate. In some cases, based on the college/university program you attended, you may also have completed some or all of the workshops listed. The state will require you to submit proof of these workshops.

For detailed information on NYS-registered workshop providers, please visit:

- Dignity for All Students Act: http://www.highered.nysed.gov/tcert/certificate/dasa.html

Additionally, you will be required to submit fingerprint clearance. Fingerprints must be taken by either the NYSED or the NYCPS. Additional information can be found at:

- **NYSED**: For more information about the NYSED fingerprinting/clearance process, visit: http://www.nysed.gov/educator-integrity/fingerprinting
- **NYCPS**: If you have been fingerprinted by the NYCPS, you may file an OSPRA-104 form with us so that we can release your fingerprinting results to the NYSED. Conversely, if you have been fingerprinted by the NYSED, you can file an OSPRA-103 with NYCPS requesting that they forward your fingerprinting results to us for clearance. Please contact HRCServiceCenter@schools.nyc.gov with any questions regarding the NYCPS fingerprinting process.

**NOTE:** The NYCPS will not fingerprint you until a job offer is made, however, since many colleges and universities use our services for internships and practica in our schools, it is possible that you may have been printed with NYCPS.
