

Dental Visit Prep

Preparation Checklist

IN PREPARATION...

- Collect as many consents as possible
- Consider school holidays, field trips or testing when scheduling
- Identify one room to dedicate to dental visit.
- Review list of students to receive services from provider

PLAN FOR DAY OF...

- At least (1) staff member to greet dental provider & manage flow of students
- Support dental provider in connecting with parents of students with additional follow-up care

TOOLS & TIPS:

- Check out our [Picking a Dental Space Do's & Dont's](#) for guidance on picking the best rooms.
- Coordinate with your dental provider for additional preparations for visits.
