

2023-24 Student Perception Survey Quick Reference Guide for Survey Coordinators

KEY INFORMATION

New York City Public Schools partners with Panorama Education to offer the Student Perception Survey, a research-based, anonymous student survey used across the country to provide teachers with students' feedback about their classroom experiences. **The survey is administered for formative purposes, and is not administered as a part of Advance, New York City's system for teacher development and evaluation.**

- Student Perception Survey materials will arrive via email **the week of December 18, 2023.**
- Student Perception Survey administration begins **January 3, 2024.**
- All surveys must be completed online by **January 19, 2024.**
- In planning for this year's Student Perception Survey, keep in mind that the winter recess is scheduled from December 25-January 1. If your school does not plan to complete survey administration prior to the winter recess, please ensure that any survey materials that were printed for teachers and proctors are stored in a secure location to prevent items from being misplaced or discarded. In addition, ensure that you are able to access the email with survey materials easily and that you can return to it for additional printing and distribution of materials.

SURVEY COORDINATOR RESPONSIBILITIES

- Be sure to read your weekly Student Perception Survey emails - they have detailed information about survey administration materials and dates for your school.
- Let your principal and school staff know when survey codes are arriving and when surveys must be administered.
- Ensure that survey materials are received by your school.
- Plan, coordinate, and oversee the administration of the survey.
- Guide your school in conducting the survey process ethically. Be vigilant of any school communications or actions that might interfere with the confidentiality or honesty of survey participation.

SURVEY ELIGIBILITY

Eligible teachers:

- Teachers of grades 6-12 with at least 10 students present in one or two classes. If the teacher cannot meet this 10 student minimum across two classes, they can administer the survey to students in up to four class periods, or whatever is feasible for the teacher to meet the 10 student minimum.
- SETSS, 6:1:1, Push-In, Pull-Out, and AIS teachers if they teach 10 or more eligible students across two class periods.
- For District 75, teachers of students in grades 6-12 who are in a 12:1:1 class and who take standardized assessments.

Eligible students:

- Students must be taught by the teacher for at least 4 weeks prior to administration.
- For teachers who teach students less than five days per week, an effort should be made to survey students who have had at least 10 class meetings with the teacher.
