

Encounter Attendance Guidance for Remote Therapy (Agency/Independent Providers)

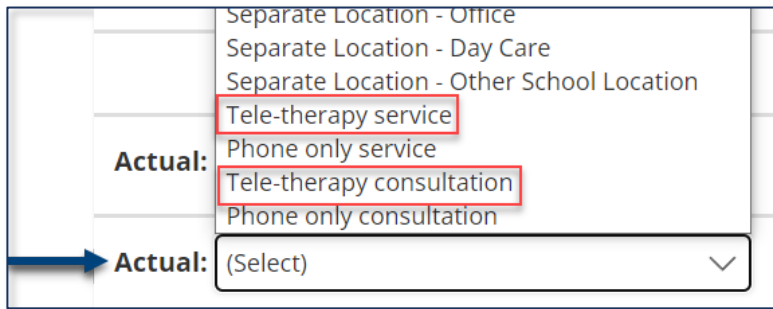

Introduction

The chart below explains the *Service Location* options available on the Encounter Attendance service record for agency/independent staff providing remote services for **Occupational Therapy, Physical Therapy, Speech-Language Therapy, and Mandated Counseling Services**.

Note: See separate guidance regarding entering service records for all other service types.

Actual Service Location Options

The following options are available within the *Actual* dropdown menu on the Encounter Attendance service record.

| Location | Applicable CPT Codes | Description |
|----------------------------------|---|--|
| Tele-therapy service | Use applicable CPT code describing the service provided | A mandated session was conducted using interactive audio and video connection with a student(s) in real time. |
| Tele-therapy consultation | Consultation: Phone/Tele-therapy CPT code 12345 | Consultation with the <u>family</u> tied to the student's IEP goals conducted using interactive audio and video in real time. Does not include interaction or outreach unrelated to the student's IEP goals (e.g., regarding a logistical issue,) which may be entered in the student's event log. |
