

Scheduling Multiple Students on Multiple Days to Replicate Schedule

Introduction

This training guide provides instruction for service providers to schedule a future service for multiple students on multiple days and replicate the sessions for additional weeks in Encounter Attendance.

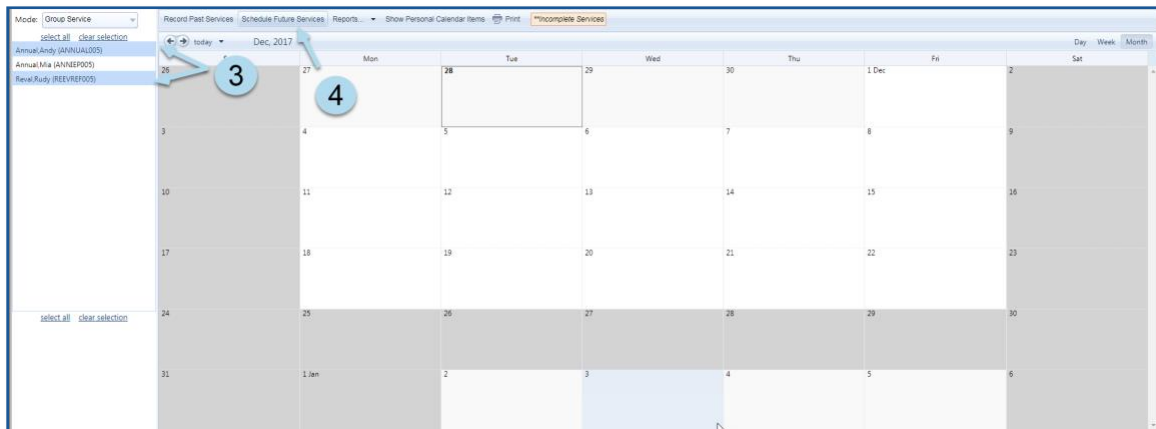

Overview

Follow the steps below to schedule future services for multiple students on multiple days and repeat the schedule for up to 20 additional weeks.

1. Log in to SESIS.
2. From the *Top Navigation Bar* on your Home Page, click **Service Capture**, and then select **Service Calendar** from the dropdown list.

3. Select the students (click to highlight and hold the CTRL key to choose multiple students) from your caseload on the left side of the screen for whom you want to schedule future services.
4. Click **Schedule Future Services**.

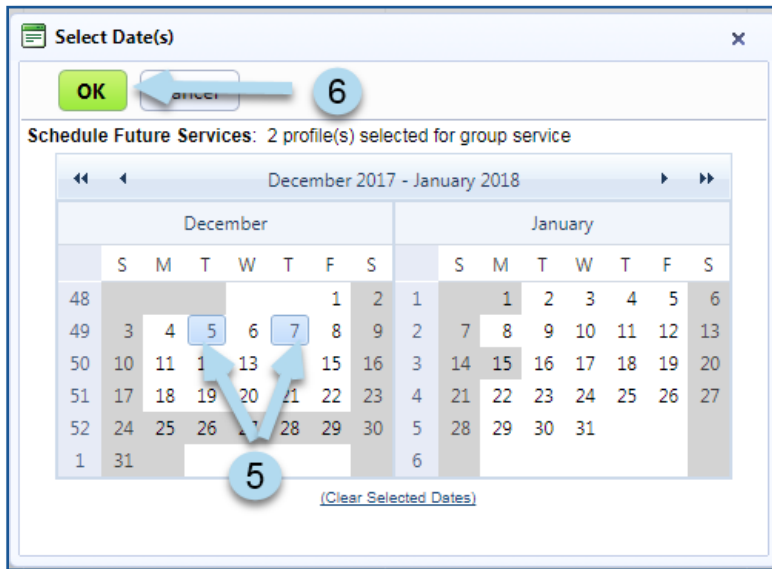

The *Schedule Future Services* pop-up calendar opens on top of the *Service Calendar*.

Note: Since you are scheduling future services, past calendar days are grayed out.

5. Select the next dates within one week that the students have regularly scheduled

sessions.

- Click **OK**.

Note: Since multiple days and multiple students were selected, a *Select Record* dropdown menu will display with the student and date of the record for which you are scheduling the service.

- Verify / enter the scheduled **Start Time** and **End Time** for the session. Modify if necessary.
- Service Type** will be pre-populated. If it is not correct, select the correct service type from the dropdown menu.
