

Your Child's Transportation Eligibility Is Changing!

Your child: _____

Student ID: _____

Your child's current grade level: _____

Your child's potential grade level next year (if promoted): _____

Your child's eligibility for transportation is based on your child's grade level and the walking distance between home and your school.

Students' transportation eligibility may change as they progress through grade levels, or when there is an address change or transfer to a new school.

Current transportation eligibility: _____

New transportation eligibility: _____

Contact your school to make appropriate arrangements for your child to travel to and from school next year.
