

Train Your School Staff

Mental Health First Aid

What is Youth Mental Health First Aid?

- Mental Health First Aid is a cornerstone initiative of ThriveNYC, a citywide plan of action to support the mental health and well-being of New Yorkers
- The course is designed to train teachers, staff, parents and students over the age of 17 how to identify and respond to common youth mental health challenges and crisis.
- Topics covered include: ADHD, Depression, Anxiety, suicide and substance use
- This workshop leads to greater recognition of behavioral health challenges amongst youth while providing adults with a plan on how to approach some of these issues

Why get Trained?

- 8% of NYC public school students report attempting suicide
 - Over 1 in 4 public high school students in NYC report feeling sad or hopeless
 - Approximately 1 in 5 youth aged 13–18 (21.4%) experiences a severe mental disorder
 - Participants receive a nationally recognized certification upon completion of the course
- *CTLE Credits are provided to all Teachers who complete the course***

How do I sign up?
